EXPERT APPLE TECH SUPPORT						
Allow Remote Control						
Please provide the ID and Password below to allow temporary access to your computer.						
Because your privacy is very important, this software will generate a new password every time you start it.						
Your ID 888	888 888 888					
Password	1077					
www.teamviewer.com	Quit					
<ul> <li>Ready to connect (secure connection)</li> </ul>						

**10.** You will need to click on each button. It will take you to the **System Preferences**.

**11.** Scroll down in each section to approve each one.

• You may need to unlock **Access** to these permissions, and you may do so with your fingerprint or password.

**13.** Now you may connect with one of our **Tech Support Representatives**, so they can assist.
